## SLATE JUST DANDY AS THE MACHINE VIEWS IT

CIRCULAR INCLUDES PICTURES OF "THE BIG THREE."

AND SOME "LITERATURE," TOO

A pamphlet was widely circulated throughout Indianapolis today advocating the election of Albert Donahue, the Bell-Perrott candidate for sheriff. Copies of the pamphlet were found in street cars, hotels and many other places. It contains three pictures, each headed by the caption, "Mr. Voter."

The first picture shows Mayor Bell. The second is a wonderful likeness of Mr. Perrott, the picture showing the big shoulders and head of the police chief, who is attired in his police uniform. The third picture shows Mr. Donahue, who has been called by some of his friends, "a dapper little gentleman."

And the Front Page Says.

The first page of the pamphlet is given to reading matter, and is headed: "To the Voters of Marion County." It follows:

"We, Joseph E. Bell and Samuel V. Perrott, avail ourselves of this opportunity of submitting these considerations to the voters of Marion county."

"We heartily indorse the administration of Woodrow Wilson and hold that our local administration has excelled along the same lines with the exceptions hereinafter noted, which exceptions we assert are in our favor."

"1. We hold that a political machine is an indispensable device to carry out the idea of government by party."

"2. This being the case, a 'slate' is indispensable to the effective, frictionless workings of the machine."

"3. As unpleasant as this term 'machine' may sound, we submit that its workings in the field of government have been effective, and a source of profit to the people as well as to ourselves."

"4. Pursuant to these convictions, we submit our records as public servants to you in the form of a slate picked and nominated by us at the last primaries. This slate is made up of the entire Democratic county ticket which is to be voted for at the election next Tuesday, November 7."

Mr. Donahue, the Topliner.

"5. At the head of the slate is Mr. Albert Donahue, secretary to Mr. Perrott, our chief of police. A vote against Mr. Donahue means a repudiation of Mr. Perrott, which we submit no honest citizen has a right to do."

"6. The other names appearing on our slate are men of the same caliber as Mr. Donahue and have been carefully selected by us with reference to past loyalty to us, sympathy with our ideals and dependability to do our bidding, which bidding has always been exercised on the side of the entire populace of this county."

"7. Election of this slate means our re-election. Its defeat, our repudiation. We do not submit this slate as a mere feeling that you, by your ballot, will preserve us in our positions and our prestige."

## DEBS WORRIES LEADERS OF THE FIFTH DISTRICT

RALLY IN TERRE HAUTE SHOWS HE HAS FORMIDABLE SUPPORT.

SOCIALISTS PREDICT VICTORY

(Special to The Indianapolis News)

TERRE HAUTE, Ind., November 6.—Politicians of the old parties, who have paid no attention to the candidacy of Eugene V. Debs for the congress from the Fifth district, had their eyes opened Saturday night, by a demonstration given here in his honor. Two thousand or more cheering enthusiasts marched through the downtown streets with Mr. and Mrs. Debs marching with them, and later crowded the Grand opera house to hear addresses by James Carney, Irish labor leader; James Larkins, the Dublin strike leader; M. L. Clawson, the Indianapolis Socialist attorney, and by Debs himself. Every one entering the house was called on to contribute 25 cents at the door, and later, a contribution was taken up to assist in defraying the expenses of the meeting. Carney, who was chairman, and Clawson and Larkins appealed to the voters in behalf of Debs. He said but little, himself, in support of his candidacy, dealing with the principles of Socialism.

Larkins criticized Wilson and Hughes in equal measure, because of their claim to friendship for the common people, but he said Hughes undoubtedly will be elected. One of Debs' staunchest supporters said that if he were looking for congenial company he would rather go to jail than to the congress.

The demonstration Saturday night has alarmed Debs' adherents, for it seemed to prove to them that Debs will draw more heavily from the Democratic ranks than from the Republicans. Debs' campaign has been managed in as practical a way as that of either of the old parties, with unlimited funds, contributed by Socialists in all parts of the world. His managers say he will be elected by the votes of this and Clay counties, and Republicans and Democrats alike are almost ready to admit the possibility of his being the second man in the race.

A bet offered after the parade Saturday night, of \$200 to \$400, that Debs would not carry Vigo county, was taken quickly by his adherents.

HANLY AT MUNCIE.

Prohibition Candidate Says Hughes Stands for Nothing.

(Special to The Indianapolis News)

MUNCIE, Ind., November 6.—Describing the Prohibition party as now the old Progressive party, J. Frank Hanly, Prohibition candidate for President, speaking here late Saturday afternoon with the vice-presidential candidate, Ira Landrith, continued: "But there was a Progressive party, and there is one that still calls itself that, but it is now an orphan. It is marching again with the Philistines and no longer is fighting at Armageddon to the tune of 'Onward Christian Soldiers!'"

The words, "American efficiency," on the lips of Republican candidate Hughes, the speaker declared, had become "a shouting brass band and a thinking cymbal," and he described Justice Hughes as a wrecker of another man's structure, who stands for nothing.

Mr. Landrith spoke along similar lines. Summer Hayes, of Portland, the party's district chairman, followed and spoke on issues local to the eighth district.

ARTIST IS VICTIM OF AUTO.

William Gedney Bunce, Famous for Venetian Marine Scenes, Dead.

HARTFORD, Conn., November 6.—William Gedney Bunce, famous in art circles throughout the world as a painter of Venetian marine scenes, died yesterday in a hospital here of injuries received earlier in the day when he was struck by an automobile driven by John C. Nichols of this city. He was born here seventy-six years ago.

Mr. Bunce studied painting in Paris and while there was an intimate friend of St. Gaudens. His most famous painting was "A Venetian Night," which won first prize in the Paris salon in 1874. A companion painting, "A Venetian Morning," won a gold medal at Paris in 1876. Some of his paintings were bought by the French government and by Queen Victoria of England. He served as a sergeant with the Union army in the civil war. He was not married.

# You Are Working; —Not Fighting! Alive and Happy; —Not Cannon Fodder! Wilson and Peace With Honor? or Hughes With Roosevelt and War?

Roosevelt says we should hang our heads with shame because we are not at war with Germany in behalf of Belgium!

Roosevelt says that following the sinking of the Lusitania he would have foregone diplomacy and seized every ship in our ports flying the German flag. That would have meant war!

## Hughes Says He and Roosevelt Are in Complete Accord!

Senator Fall, who has vast interests in Mexico and is Candidate Hughes' advisor as to Mexican Affairs declares "a Hughes war would be preferable to a Wilson peace."

Read the published list of Heavy Subscribers to the Republican campaign fund, then look up the list of Americans with enormous interests in Mexico and learn why those who place the almighty dollar ahead of human life would not hesitate to plunge this country into an ignoble war of conquest—would not stop at sacrificing thousands and thousands of American lives in their greed for oil and gold.

Look again at this list. Then you will see why the "Old Guard" appeals frantically for a protective tariff—

That breeder of strikes, of starvation wages, and of every panic that ever cursed this country—

And which made billions for organized wealth by putting honest competition out of business.

You will see why in sheer desperation and bereft of all decency the Republican "Old Guard" is capitalizing the lamentable incidents in Mexico and trying

Mr. Hughes "Would Name a STRONG Cabinet."

to discredit your President for sparing you the horrors that would come with intervention.

Read the list still again. Note the names of men heavily entrenched financially in the protective tariff system and in vicious special privilege.

Read and see why millions are being spent to reenact the Payne-Aldrich tariff—to wipe out the Federal Reserve System—to repeal the Eight Hour law and other progressive laws—to undo the Wilson Record of unparalleled achievement.

Then understand why Candidate Hughes said in his Milwaukee speech: "The whole list of Democratic accomplishment must be wiped off the books for the good of the country."

## The Lesson is Plain:

# If You Want WAR, Vote for HUGHES!

# If You Want Peace With Honor

# VOTE FOR WILSON
